# Description

A perfect example of this ultra luxury performance commuter BRABUS Shadow 500 Cabin “Black Ops” Limited Edition (1 of just 28 boats made) with Daycruiser Aft Cabin. One owner from new, delivered August 2021, with only 20 running hours from new. The distinctive looking BRABUS 500 Cabin is hand-built with focus on precision and finish. Fairing, painting and polishing the Limited Edition version to the quality required is a highly labour intensive, skilful and painstaking process, with no automation, which can take up to six weeks to reach the required finish. An exciting opportunity to own one of the most distinctive high performance vessels available on the market in a nearly new condition.

## TANKS
