Length waterline	6.85 m
Beam	2.44 m
Draft	1.67 m
Displacement	2,850 kg

Propulsion

Engine	14 hp Nanni N2.14
Fuel	Diesel

Description

2013 Rustler 33, designed by Stephen Jones, with 14 hp Nanni diesel engine, upgraded teak decks and relatively new Selden carbon spars / sails. Good inventory also includes road trailer, shore power with charger and full Raymarine electronics package. A nice example of these sought after cruiser / racers, renowned for their head turning classic lines above the waterline and sleek underwater profile / sail plan that give it the performance of a modern day racer. Inspection recommended.

TANKS

- Diesel: 10 Gal (45 Lt)
- Fresh water: 5 Gal (26 Lt)

MECHANICAL AND ELECTRICAL

- 14 hp Nanni N2.14 diesel engine with sail drive and 2 blade folding propeller (sail drive stripped down and overhauled in 2024)
- Nanni instrumentation and single lever control
- Tiller steering with Spinlock telescopic extension
- 12 volt DC electrical system (1 battery) with distribution panel, isolator switches and cabin socket
- 240 volt AC shore supply with cabin socket and battery charger
- Automatic electric bilge pump

SPARS AND RIGGING (fractional sloop)

- Selden white carbon keel stepped mast with double swept back spreaders, slab reefing boom and rod kicker (2021)
- Discontinuous s/s standing rigging with adjustable backstay and under deck jib furling / reefing system
- Braid / Dyneema running rigging with all controls led aft to cockpit
- Harken mast track and full batten car system
- Harken deck gear including adjustable jib tracks
- Harken 35ST primary winches (2)
- Harken 35ST halyard / reef line winches (2) with Spinlock clutches (10) on coachroof
- Mainsail boom cover and lazy jacks
- Technique Voile / North sail wardrobe includes full batten mainsail (2022), furling genoa (2022), A2/A4 asymmetric spinnakers with top-down roller furlers and code zero with top-down roller furler (2023)

NAVIGATION EQUIPMENT

- Raymarine HybridTouch chartplotter (cockpit with cabin repeater)
- Icom IC-M323 DSC VHF radio with Hawk masthead antenna
- AIS transponder
- Raymarine speed and depthsounder (cockpit)
- Raymarine wind speed and direction (cockpit)
- Raymarine autopilot with cockpit control
- Navigation lights including combined steaming / deck, masthead anchor and pop-up port and starboard bow light

ACCOMMODATION

- Open plan cabin with weekend accommodation for 3 / 4 crew
- Large double berth forward with deck hatch above
- 2 small settee berths on either side
- Separate heads compartment to port with marine toilet, holding tank and wash hand basin with manual fresh water pump
- Small galley opposite with single burner gas cooker and s/s sink with manual fresh water pump
- Companionway steps over engine compartment up to large well laid out self-draining cockpit with teak seating and good access to side / aft decks
- Good stowage throughout yacht including lockers under berths, 2 decent size cockpit lockers and wet hanging rail in heads compartment

EQUIPMENT

- Road trailer
- Horseshoe lifebelt
- Safety harness eyes in cockpit (2)
- Whale manual bilge pump
- Manual fire extinguisher
- Fire blanket
- Offshore flare pack
- SL Delta anchor with s/s chain and warp
- Warps and fenders
- Fore and aft s/s pop-up cleats
- S/s stem head fitting with removable anchor roller for racing
- Ensign staff

DISCLAIMER

The Owner is not selling in the course of a business. Whilst every care has been taken in their preparation, the correctness of these particulars is not guaranteed. The particulars are intended only as a guide and they do not constitute a term of any contract. A prospective Purchaser is strongly advised to check the particulars and where appropriate at his own expense to employ a qualified Marine Surveyor to carry out a survey and/or to have an engine trial conducted which if conducted by us shall not imply any liability for such engine on our part.
