Engine Fuel 2 x 150 hp Volvo Penta AD31P-A/DP diesel engines Diesel

## Description

1995 Fairline Targa 28 with twin 150 hp Volvo Penta AD31P-A/DP diesel engines and full service history (engines and stern drives last serviced in June 2024). No expense has been spared by all three Guernsey based owners on maintaining it to the very highest standards, with numerous recent upgrades including colour radar / chartplotter, DSC VHF radio, marine stereo system, marine toilet, cockpit upholstery and camper cover. It also benefits from having an extensive cosmetic refit in 2022, which included having the hull resprayed, above waterline through hull fittings cleaned / replaced as required, new gunwhale belting (inc. platform), new s/s anchor hull protector plate, new stripes / decals, helm console respray and wndscreen refurbishment. A great opportunity to acquire a beautifully presented and ready to go example of these popular sports cruisers, with family accommodation for 4 persons, making it an ideal choice for exploring Channel Island waters and the adjacent French coast. 2.56 M Lammina 8AL RIB with folding wheels (2022) and 3.5 hp Mariner 4-stroke outboard motor available by separate negotiation.

### TANKS

- Diesel: 92 Gal (418 Lt)
- Fresh water: 41 Gal (186 Lt)

### MECHANICAL AND ELECTRICAL
