Fuel	Diesel

Description

2010 Sunseeker Portofino 47 Hard Top with twin 575 hp Volvo Penta D9-575 EVC diesel engines, full service history and relatively low hours. A fantastic opportunity to acquire an immaculately presented example of these renowned offshore sports cruisers, reported to be the last one built, with classic Sunseeker styling / finishes and full Mediterranean specification. No expense has been spared by its fastidious current owners on maintaining this sought after model in the Sunseeker range to the very highest standards. Numerous recent upgrades include synthetic teak decking, twin Raymarine 12" multi-function displays, Fusion marine audio system, underwater lights and cockpit covers. AB Mares Console RIB (3.0 M) with new 20 hp Tohatsu electric start fuel injection outboard motor, VHF radio, Garmin GPS and platform chocks available by separate negotiation. Early inspection essential.

TANKS
